

SALESFORCE CONSULTANT

POSTED NOVEMBER 25, 2021

Are you an experienced Salesforce Consultant? Do you have a passion for cloud technology and a business background with Salesforce consulting delivery experience? Looking for a fresh change and a company that truly values its people? We are currently on the hunt for a pedigree Salesforce Consultant with passion for and experience on the Salesforce Platform.

THE ROLE.

We are looking for an amazing person to help support the growth of our Consulting Practice. We are looking to sniff out a highly professional team player with demonstrable skills across the Salesforce platform, leadership, collaboration, and communication, customer-facing experience; someone who has a passion for technology, consulting, a proven track record of delivery projects with successful business and customer outcomes. We are diverse, flexible and open to remote ways of working.

Our culture and values are close to our heart and we are looking for like-minded talent to join our family. Our culture is created for the brightest and highly open people who share a drive for success with integrity and our core value set. Every team member at Cattle Dog contributes to the success and growth of our practice, clients, and partnerships. This also translates into client interactions and engagement. We are looking for a trusted advisor with effective communication skills to lead our client's solutions.

SKILLS & QUALIFICATIONS

- A proven background in Salesforce consulting delivery experience (minimum 3 years)
- Proven experience in requirements gathering, solution design, stakeholder management
- Agile delivery experience (scrum master certification preferred)
- Salesforce certifications and knowledge (minimum SF Admin cert), experience across Sales & Service clouds at a minimum, other clouds preferable
- High level of ability to deal with ambiguity and problem solve
- Team player
- Highly collaborative and effective communicator
- Embrace taking ownership and accountability for project outcomes
- Strong documentation ability
- Team player with a growth mindset
- Own a dog (optional ;)

Don't tick all the boxes? Great. We don't just think outside the box, as a matter of fact, there is no box. If you think you embrace our value set and could be a great contributor we would love to hear from you.
